Scottish Government announces £3.8 million for volunteering projects

The Volunteering Support Fund will be made available over the next four years to create new and better volunteering projects with a focus on encouraging disadvantaged and disabled people into volunteering. Organisations need to be registered Charities and have an annual income of less than £250K.

Communities Secretary Angela Constance said:

“We want to make sure we are able to tap into everybody’s talents and support anybody who wants to volunteer to do so. Through offering this funding on a three year rolling basis, we are providing further financial certainty to support volunteers.”

The fund will be managed by the [Voluntary Action Fund](#) during 2017-2018.

The deadline for applications is **5pm on Friday 14th July**. More information [here](#).
