

## **GRANTfinder**

At Engage Renfrewshire we have recently purchased the GRANTfinder software, which provides us with access to their web-site. GRANTfinder hosts and runs an internet based funding information platform. It is a user friendly, accurate and professional funding tool. GRANTfinder carries details of in excess of 8,000 funding programmes and 4,000 policy items – a unique source of information that is not only constantly growing but updated in real time.

Engage Renfrewshire sees this as an additional resource for helping groups, associations, Charities and Social Enterprises across Renfrewshire identify and access even more funding.

We are arranging dates for 1-2-1 workshop sessions, which will be facilitated by an officer from Engage Renfrewshire. Lasting no more than 2 hours, groups can come along and utilising the numerous drop-down menus, we will come up with a list of potential funding sources relevant and suitable for the group to consider applying to.

We also offer the option of a drop-in service at our reception desk for groups to do quick searches, once logged in by a member of staff.

If you would like to arrange a 1-2-1 session then please get in touch with [smiller@engagerenfrewshire.com](mailto:smiller@engagerenfrewshire.com)
