

Postcode Dream Trust - Dream Fund 2018 Launches for Great Britain

Charities in England, Scotland and Wales are eligible to apply for funding to deliver the project they have always dreamed of, but never had the opportunity to bring to life. All applications must come from at least two charitable organisations that have joined forces to deliver an innovative project. The lead partner organisation must be a registered charity. The other partners can be registered charities, voluntary groups, community interest companies, universities or other not-for-profit organisations.

The funding pot for 2018 has been increased by £500,000 to £3 million.

Grants of between £500,000 and £1 million are available to deliver a project 24 months in length between 2018 and 2020.

Funding is available for projects that meet one of the following themes:

- Supporting families.
- Green communities.
- Young people.
- Improving people's lives through animals.

Applications must be innovative, creative and original, and present projects that are a genuine 'dream'.

The deadline for stage one applications is 22 August 2017 (5.30pm).
