

Grow Wild Community Project Funding 2018

Now open for applications!

Have you got a ridiculously exciting idea for a project that **brings people together** through activities that help connect their community and celebrate UK native wild flowers, plants and/or fungi?

Please get in touch with Grow Wild to discuss your ideas or you can also look at our web page [Grow Wild Community Project Guidance](#), for more information on **how to apply**.

Contact Stéphanie Baine, scotland@growwilduk.com, if you have any questions or for the link to the online application form.

Awards of £2000 or £4000 are available for groups to transform their space or to do something new or creative projects that help communities and celebrate our native wild flowers, plants and fungi.

Applications need to be in by 15th January 2018 for your chance to join Grow Wild's project network.

Be inspired by previous Grow Wild community projects. [Click here](#) to visit our interactive map and read their profile pages.
