

We're very excited to let you know that Young Enterprise Scotland has been selected to participate in the **Big Give Christmas Challenge 2017**, the UK's largest match funding campaign. Last year, thanks to generous supporters like you the campaign raised over £7.2 million for participating charities.

We will be raising money for our project, Enterprising Futures.

The project will improve the practical and transferable skills for employment for young people in Scotland and will support young people to start up their own successful businesses. Donations to this project will be matched for 7 days from 12pm on 28th November, #GivingTuesday.

What happens during the Christmas Challenge?

Donations made to our project via the [BigGive.org.uk](https://www.biggive.org.uk) will be doubled during the campaign. If you would like to support our work this year, we highly recommend doing so during the Christmas Challenge when your donation will be doubled and make even more of a difference to us.

What do I need to do?
